Owner Details		Installation Details		
First Name:		Installation Name:		Panel Brand
Last Name:		Street Address:		
Postal Address:				Panel Model
Suburb:		Suburb:		
State:	Postcode:	State:	Postcode:	Inverter Brand
Phone:	Mobile:	Rated Power		
Email:		Output (kW):		Inverter Series
How many small-scale technology certificates (STCs) is this system eligible for? _____		Is the system grid-connected?		
		<input type="checkbox"/> Yes - without battery storage		Inverter Model No.
		<input type="checkbox"/> Yes - with battery storage		
		<input type="checkbox"/> No - stand alone system		Number of Panels
Specify the deeming period you are claiming for: <input type="checkbox"/> 1 year <input type="checkbox"/> 5 years <input type="checkbox"/> 15 years		Indicate if the system is:		
Indicate if the building is: <input type="checkbox"/> Single Story <input type="checkbox"/> Multi Story <input type="checkbox"/> Residential <input type="checkbox"/> Commercial <input type="checkbox"/> School		<input type="checkbox"/> Building or Structure <input type="checkbox"/> Ground-mounted or Free Standing		Panel Serial Numbers <i>Please see attached</i>
Are you installing a complete unit? <input type="checkbox"/> Yes <input type="checkbox"/> No				
If the system is additional capacity to an existing system, provide detailed information on the position of the new panels and inverter.				
Is there more than one small generation unit (SGU) installed at this address? <input type="checkbox"/> Yes <input type="checkbox"/> No				
If yes, describe below where this system is installed compared to existing small generation units installed at the address.				
Are there any additional comments or circumstances that the CER should know relating to this installation?

Mandatory written statement

I, _____, was the accredited CEC Installer that completed the SGU installation at _____ and verify that I have installed the system that meets the following requirements; The CEC accreditation guidelines, The CEC Accreditation Code of Practice and am bound by their Code of Conduct. The system has panels and inverters approved by the CER. Followed all of the Clean Energy Regulator's Guidelines. Have \$5M in Public Liability Insurance, and the system meets the following Australian Standards, where applicable.

I verify that all local, State or Territory government requirements have been met for. (i) The siting of the unit (ii) The attachment of the unit to the building or structure. (iii) The grid connection of the system for the SGU installation. I verify that the SGU is grid connected installation and an electrical worker holding an unrestricted license for electrical work issued by the State or Territory authority for the place where the unit was installed undertook all wiring of the unit that involves alternating current of 50 or more volts or direct current of 120. I confirm that the details in the above statement are correct.

PV & Inverter Standards	Grid connected system	Standalone System
AS/NZS 5033:2005, Installation of photovoltaic (PV) arrays; AS/NCS 1170:2002, Structural Design actions, Part 2: Wind Action (PV Array); AS/NZS 5033, PV modules are compliant and the product is listed at www.cleanenergycouncil.org.au ; The grid connected inverter used has been tested to Standard AS 4777 and the product is listed at cleanenergycouncil.org.au	AS/NZS 3000:2007, Wiring Rules AS 4777, this installation complies to this Standard; AS/NZS 51768:2007, Lightning Protection AS 4777:2005, Grid connection of energy system via inverters	AS/NZS 4509:2009, Standalone Power systems part 1: Safety & Installation; AS 4086:2:1997, Secondary batteries for use with standalone; power system, Part 2: Installation & maintenance, wind system; AS/NZS 3000:2007, Wiring Rules

Mandatory Declaration

I am the legal owner of the aforementioned small generation unit (SGU) and assign the right to create STCs to Solgen Energy Pty Ltd for the period stated above, commencing at the date of installation, and I have not previously assigned or created any STCs for this system within this period. I understand I am under no obligation to assign STCs to Solgen Energy Pty Ltd. I agree to repay the STC to Solgen Energy Pty Ltd should my assignment be invalid. I understand that an agent of the Clean Energy Regulator or Solgen Energy Pty Ltd may wish to inspect the SGU within the five years of certificate redemption. I must retain receipts and proof of the installation date for the life of the STCs. I am aware that penalties can be applied for providing misleading information in the form under the Renewable energy (Electricity) Act 2000. I further declare that the accredited CEC Installer named on this form physically attended the installation of the unit, or physically attended and supervised the installation by others.

I understand that this system is eligible for _____ STCs and in exchange for assigning my right to create these STCs, I will receive from the installer / supplier the monetary discount of \$_____.
